New York, NY – (December 2, 2005) WICKSHAW Productions is proud to present Daryl Lisa Fazio's GREYHOUNDS starring Cheri Wicks and Heather Massie. Circumstance brings together two very different women, a provocative loner and a suppressed housewife, at a rural Oklahoma bus stop in the wee hours. This begins a dance of hurt, humor and intense longing for a connection that could bridge the gap over two painful pasts. A horrible discovery proves to be the catalyst for revelation and transformation. GREYHOUNDS will take you on a journey both tragic and touching.

Performance Dates and Location: GREYHOUNDS will be performed Feb. 1 – 19, 2006. Performances are Wednesday through Saturday at 8:00 p.m. with matinees on Sundays at 2:00 p.m. All performances are at The Lion Theatre on Theatre Row, 410 West 42nd Street (Between 9th & 10th Avenues), New York, NY 10036

Daryl Lisa Fazio (Playwright) grew up in Mississippi, earned degrees in both theater and graphic design and currently teaches design at Truman State University in Missouri. GREYHOUNDS is her first play. It was followed by GEORGIA OUT OF MY MIND, which premiered at the Minnesota Fringe Festival in 2005. Daryl performed in the premieres of both. Her dual role as actor/playwright fuels her fervent desire to create quality stage roles for women. Daryl is currently at work on a full-length dramatic play set in the Mississippi Delta during the school integrations of the late 1960s, and a campy pop musical set in an urban art school.
